Weekly Panui - Monday 22nd July 2019

Kia ora koutou Whanau,

Term 3 is here and we're all geared up for busy, productive and exciting learning. There is an emphasis this term on learning our school values, we are starting with the root word (Courage) this week. The classes will learn about what courage means, ways we show courage, how to spot courage in others and why courage is a trait we should aspire to. We will perform our school musical production in Week 10, present speeches in class during Week 7 and continue with a wide range of other learning activities, which you will find out about in your classroom letters next Monday. :)
