UPDATED WEBSITE & SCHOOL APP - As most of you are aware, we have been having trouble with the old website platform, particularly newsletter distribution.

KiwiSchools
Effective Community Engagement

Ideally all of our families would receive the newsletter electronically (saving us time and money) - but the delivery of them needs to be reliable, quick and consistent. Please visit the website, scan the app QR code to have the school notices and details on your phone. Along with the Facebook page, this will be the mode for notifications. The App is called "Kiwischools Connect". Our website is still: www.waikitevalley.school.nz

AGRIKIDS NATIONAL FINALS:

Our awesome team "WVS Cream of the Crop" placed 12th overall in the leaderboard. They worked together really well, showed outstanding grit and I was blown away by their knowledge of the modules and tasks covered. Ka mau te wehi Siniva, Lachlan and Max! You did us very proud.
