WHANAU SURVEY - We would really appreciate your input. These need to be completed and returned by **Monday 16th November**. If you need a new copy please grab one from the office :)

PLEASE RETURN ALL P.E UNIFORMS, CUPS & TROPHIES TO THE OFFICE ASAP.

We have been very lucky and awarded a grant from Sport Bay of Plenty to replenish our P.E. uniform supplies. To get an accurate idea of sizes needed, we are hoping you will be able to send the uniforms back ASAP. If your child is competing at Cluster Athletics this Friday, send them in after that.

Also with the end of term quickly approaching we'd like any trophies or cups back to be engraved in time for end of year prize giving on **Thursday 3rd December**.

PARENT/CAREGIVER SURVEY

2021 classrooms & our Graduate Student profile

We are actively looking to ensure our school is meeting the needs of our learners and reflects the needs of the parent community. Please let us know your thoughts on the following areas, we are very interested in hearing from you and will consider all information put forward. Children and their learning is at the heart of all we do. We can only improve with your support and input.

In 2021 we will have 5 classrooms (due to roll growth over the past 2 years). However, we will have to make use of the current learning spaces we have. What would you think is the best in these options (number 1-3 in order of preference, 1 = best):

a. Pod 1 (Year 1-2) and Pod 2 (Year 2-3) sharing the Te Ruma Puawai space;
Room 3 (Year 3-4) in Room 3
Room 4 (Year 5-6) in Room 4
GPA (Yr 7-8) in the old Resource Room class

b. Pod 1 (Year 1-2) in Room 3
Pod 2 (Year 2-3) and Room 3 (Year 3-4) sharing the Te Ruma Puawai space;
Room 4 (Year 5-6) in Room 4
GPA (Yr 7-8) in the old Resource Room class

c.
Pod 1 (Year 1-2) in Te Ruma Puawai space;
Pod 2 (Year 2-3) in Room 3
Room 3 (Year 3-4) in current library
Room 4 (Year 5-6) in Room 4
GPA (Yr 7-8) in the old Resource Room class

Other ideas/thoughts:

- If we used the library for a classroom, the books would have to be distributed elsewhere throughout the classes or rehomed in another school space somehow. Any ideas around this would be appreciated.
- Once the roll number reaches 101 students, the Ministry of Education will allocate us another teaching space/classroom (although this can take time).

1. What do you hope does not change about Waikite Valley School? That is, what do you currently value about Waikite Valley School?
2. What would you like to see change at Waikite Valley School?
3. What could we do to ensure you will choose Waikite Valley School for your children right through to their Year 8 graduation?
4. What do you see as the most important thing you want your child/ren to learn while they are at Waikite Valley School?
5. What other ideas do you have for us to consider? (attach another piece of paper if necessary)

Thank you for your input! We appreciate it & look forward to working towards achieving our community's aspirations.

Please return this survey to the School Office. First 20 will receive a chocolate fish!
