LOCAL ROADS SPEED REVIEW

You may be aware that the Rotorua Lakes council is currently undertaking a speed review of some local roads. Our school will be affected by these proposed changes. All recommendations are to lower the speed, which is a positive step towards making the road environment safer for our school.

If you would like to have a say you can do so online using this link for the review:

<https://letstalk.rotorualakescouncil.nz/rotorua-speed-limit-review-2021>

It is a very easy online interactive survey. There are quite a few roads under review, but you need only respond to those roads that directly affect you.

WHY I'M SHAVING

Hi I am Kadin. I am 11 years old and I wanted to shave my hair to support my youngest cousin. On the 31st of December 2020 my cousin Finn got diagnosed with leukemia. It was the most devastating way to end a year, that had already been pretty unsettled anyway.

I was searching about leukemia to try and get a better understanding of what Finn was going through and came across "shave for a cure" so here I am ready to shave my hair to support little Finn and support a cause that can help others with Leukemia, the team at starship are amazing and for that I am thankful.

I am currently working with the leaders of my school at Waikite Valley to sort out my shave to happen there, where they will possibly support me with a "Wacky Hair Day"

So, I need your help!

Please sponsor me for this great cause. It's simple, fast and totally secure. Just fill out the details to the your left, whip out your credit card, and Leukemia & Blood Cancer New Zealand will email you a receipt.

Thank you!

Each child will receive a personalised race bib and certificate and go in the draw for spot prizes, plus the satisfaction of completing the course. The cost is \$5 per child.
