Classroom upgrades - work to commence 14th June!

A couple of weeks ago the work to upgrade some of our buildings finally began, with the school library having new LED lights and colourful carpet installed. On the 14th of June work will start on the GPA classroom. From that week our Year 7-8 students and Mr Topp will work in the Library. Once the classroom is complete (new joinery, insulation, lighting, carpet & wall coverings) Room 4 students will move into the new class while the current Room 4 room is upgraded (our Year 7-8 students will remain in the library). When the work in Room 4 is complete (new joinery, insulation, lighting, carpet & wall coverings) our Year 7-8 students will move in. This work has been a long time coming, with the planning for it starting in 2018! We are very excited to finally be at the point of commencement. It is projected to be all complete by the end of August. :)

Players of the Day: Bayden Moyes (Hockey), Promise-Reign Gardiner (Rippa Rugby), Charlotte Hornby (Hockey), Ben Briggs (Hockey), Tyler Barrett (Soccer), Blake Braithwaite (Rugby)

CELEBRATING SUCCESS...

On Saturday 22nd May and Sunday 23rd May, Felix Topp (Room 4) was lucky to have the opportunity to perform with the Royal New Zealand Ballet company in 'Giselle'. It was a wonderful opportunity for him and it's excellent to see our students taking part in big events such as these. A real opportunity to show our C.O.U.R.A.G.E. values.

Ka mau te wehi Felix!
