DENTAL VAN UPDATE - NOTICE FROM LAKES DISTRICT HEALTH BOARD

Kia ora,

I understand that your school was expecting the dental van this week. I wish to advise you that we are experiencing a significant delay in the van roster due to staff shortages.

We endeavor to bring the dental preventative van to your school this term. However, if any of your parents/caregivers wish to contact the Community Oral Health Service they may call 0800 525 378 to arrange a dental appointment in one of the dental clinics in Rotorua.

My apologies for any inconvenience.
