# School Prize giving 2021

We will be holding our school prizegiving and the students will perform their kapa haka (junior and senior school) next Tuesday from 6pm. We will be holding this event on the astroturf or the school courtyard so we can accommodate our school whānau and will not have to check for vaccination status. Masks are encouraged and social distancing is required. All children will need to be present as they are all involved in the kapa haka and will also receive an end of year gift from the school.

**UPDATE** - In case of wet weather I will put up a

Facebook Post to let you know we will be holding it in the Community Hall - if that is the case we will have to limit our numbers to one person per family.

**Pool use during the holidays** - We have sold nearly all of our keys to the pool so with such high usage it becomes hugely important we all follow the rules to keep our pool running smoothly. Please remember to:

- only swim in togs
- put the cover on after every swim
- NOT top up the water level

If there are any issues over summer please text Teresa (027 634 4744) or PM on school Facebook (more reliable than cell coverage).
