Kia Ora Koutou Whānau,

Our health forms for camp will come home later in the week (we are waiting on a delivery of paper from OfficeMax). If you are a parent who is helping at camp you will also be required to complete a health form. The adult health forms are a different colour to the student forms. If your circumstances have changed and you can no longer help with camp, please let us know as soon as possible. These forms are reviewed and filed for use if needed during camp; please put any important information we need to know regarding your child/rens health. The details are kept discretely for the camp staff to support the safety of all at camp.

COVID-19 UPDATE - I will keep you up to date via Facebook Post in regards to active cases in the classes. At the moment all staff are well so the classes can continue to run as normal (even with the absences). We are delivering home learning packs with about 10 days of work to cover the time needed to isolate (which is now 7 days). Please try not to speculate about cases or worry about who has Covid or who is spreading it - these conversations are unhelpful and cause friction in the classes when the students bring such 'gossip' into school. If you have any concerns or questions, please don't hesitate to get in touch. Take care and be kind to your neighbours - we are all doing our part to cope during a stressful time. :)

Sport Bay of Plenty
more people, more active, more often

On Thursday 10 March Kimiora Inslay (Healthy Active Learning Advisor) from SportBOP visited school. Another member of the Sport BOP team also came to video the sessions taken with each class. The videos will be used for training with other teachers. The kids loved it and our teachers have picked up some wonderful ideas for learning outside the classroom.

THANK YOU!
TONI FROM
FARMSOURCE
REPOROA

We have been donated hens from a school family, so the school coop is back in action! We reached out to Farmsource Reporoa and they have generously donated a multi-day feeder which will ensure the hens do well over the weekends. Thank you Farmsource Reporoa!
