Kia ora and welcome to week 6

It is that time of year where we start the process of organising tentative classes for 2023. We will inform you as soon as we can about what class and whom the teacher will be for your child. If you have any questions regarding this please don't hesitate to ring me.

Thank you to Mrs Stubbs for running the annual book fair and for all those who supported it. The school received a commission of \$596.00 that will go on new books for our children.

Have a great week.

Sue Ratcliffe (Principal)

Last week Room 2 was learning about how to sow and plant seeds with GPA. This will be very useful for our Waikite Valley School garden.

Sophia

I enjoyed planting the seeds.

I learnt that it is important to plant food

We grew broccoli.

Laila:

My favourite part was putting in the seeds.

I didn't know that there were heaps of different soils for the plants.

David:

My favourite was poking my finger into the soil.

I didn't know that plants can come out of the soil from 14 to 17 days old.

Ben

I learnt that our plants will be ready to eat at the beginning of next year

It was very fun.
