## Kia ora and Welcome to Week 7

It was great to see so many of our students pushing themselves to improve their performance at the Reporoa Cluster Athletics. Good luck to all the students who are representing the school at the CBOP athletics on Wednesday. Our maths quiz teams are off to Broadlands tomorrow to compete in the Cluster competition. I know you will try your best and work well in your teams.

A big thank you to Jasen Martin for the truck load of soil for our new vegetable garden. We are very grateful for the support from our community to enable our students to have these experiences.

**I know at this time of year everybody is keen to know what class their child is in for 2023. You will be advised of this next Monday along with your child's report. If you are concerned or need more information please don't hesitate to come and see me.**

Have a great week everybody.

Sue Ratcliffe (Principal)

Recently, GPA has been working on our garden project. We have all been assigned different jobs. Some of us are working around the chickens and eggs, and some of us are working more towards the gardening/planting side of things. We have built one of the two garden beds so far and are quickly working to build the second one. We have made other plans for a carrot patch, potato patch and a bean rack. By Jessica and Josie GPA
