Curriculum Evening Tuesday 28th February 6-7pm

We would like to invite parents and students to a curriculum evening with the focus being on writing. **(Please feel free to come even if you are unable to bring your child/ren)**

Teachers will share what the End of Year expectations look like for the year groups in each class and will have some writing activities available for you to have a go at with your child. These activities give you an opportunity to see some of the skills the children will learn and how you can support them at home.

If you have more than one child, you are free to move around classrooms in your own time. The teachers will be available to answer questions related to writing expectations.

There is no sign up for this event, just turn up!! I hope you find this evening useful and we look forward to seeing you.

Kind regards

Sue Ratcliffe (Principal) principal@waikitevalley.school.nz
