## Kia ora and Welcome to Week 7

### [SchoolDocs](#)

Our school has been working with SchoolDocs to create a website for our policies and procedures. We are excited to announce that the site is now live and available to our school community.

The school works on a subscription basis with SchoolDocs to maintain, update, and review our policies. SchoolDocs provides us with a comprehensive core set of policies, which have been well researched and align with the National Education and Learning Priorities. The policies and procedures are tailored to our school, and the school supplies specific information such as our charter, and procedures for behaviour management, reporting to parents, etc.

SchoolDocs updates, modifies, or creates policies in response to changes in legislation or Ministry guidelines, significant events, reviews/requests from schools, and regular reviewing from the SchoolDocs team. Our school board has the opportunity to view changes/additions and comment on them before they are implemented. We will advise you when policies are up for review and how you can take part in the review.

We invite you to visit the site at <https://waikitevalley.schooldocs.co.nz> (note that there's no "www.").

Our username is "[waikitevalley](#)" and password "[courage](#)".

Click on the **PINK TAB** Helpful Info

Click on the **BLUE REVIEW TAB** at the left hand-side. Here you will find all the information about the reviewing process. EOTC (Education Outside the Classroom) is ready for reviewing

Kind regards

Sue Ratcliffe (Principal) [principal@waikitevalley.school.nz](mailto:principal@waikitevalley.school.nz)

Health New Zealand

**The Dental team is coming to Waikite Valley School on 15<sup>th</sup> June for a visit to apply a fluoride varnish to help provide extra protection to your child's teeth.**

Fluoride is a mineral that occurs naturally in some water sources. Fluoride helps protect both child and adult teeth by strengthening tooth enamel. Fluoride replaces the minerals lost on the surface of the teeth during early stages of tooth decay.

### What will we do?

1. Apply a protective coating of fluoride to your child's teeth.

### What do you need to do?

- If you **do not** want your child to have this service, or you want to discuss, please contact:
  - o Phone 0800 Lakes Teeth (0800 525 378)
  - o Text 027 578 0275
  - o [teeth@lakesdhb.govt.nz](mailto:teeth@lakesdhb.govt.nz)
