We are: **Confident, Optimistic, Unique, Respectful, Adventurous, have Grit, Enthusiastic**

Kia ora and Welcome to Week 8

It's hard to believe we are into the last few weeks of Term 2. Listening to the students recall their sports results from the different codes this morning it was clear as a school we are doing amazingly well. It seems all the students are just giving it their all and having fun. Keep it up!!

I would like to say a big thank you to Steve and Steph Carroll from WaiNot Natives for donating 50 plants. Our first phase of planting was to get a row of lemonwoods planted along the fence line by the school house.

From the PTA:

We had a great number of helpers for satchel packing. You were all so amazing we smashed it in record time. In fact, they were so impressed we have been asked to do it again next year.

So again, thank you all for your help. Remember our next PTA Meeting Tuesday 13th June in the staffroom.

Denise Temata (PTA Chair)

Kind regards

Sue Ratcliffe (Principal) principal@waikitevalley.school.nz

WELCOME
HAERE MAI

This week we welcome
Saoirse Brogden to Waikite Valley School & Pod 1

Players of the Day - Otis Prestidge, Milly Prestidge, Blair Holmes, David Schweizer, Jackson Elliston & Monet Kidd

Te Whatu Ora

Health New Zealand

The Dental team is coming to Waikite Valley School on 15th June for a visit to apply a fluoride varnish to help provide extra protection to your child's teeth.

Fluoride is a mineral that occurs naturally in some water sources. Fluoride helps protect both child and adult teeth by strengthening tooth enamel. Fluoride replaces the minerals lost on the surface of the teeth during early stages of tooth decay.

What will we do?

1. Apply a protective coating of fluoride to your child's teeth.

What do you need to do?

- If you **do not** want your child to have this service, or you want to discuss, please contact:
 - o Phone 0800 Lakes Teeth (0800 525 378)
 - o Text 027 578 0275
 - o teeth@lakesdhb.govt.nz
