ATTENDING SCHOOL is IMPORTANT!!

Regular attendance at school helps build and maintain a child's learning and positive daily habits and routines, as well as promoting their wellbeing by connecting them to their peers and learning new things.

ATTENDANCE INFORMATION

Regular attendance is defined as 90% attendance during the term- the equivalent of missing less than five days of school in a standard 10-week term.

The government has set a (regular attendance) target of 80% of students to be present for more than 90% of the term by 2030.

If a student misses one day of school every two weeks, they miss more than a whole year of school by 16 years of age. As a parent or caregiver, you, alongside our school, play a key role in building strong habits of regular school attendance.

All students are legally required to attend school every day and it is a shared responsibility to make sure students attend and engage in learning from when they first start school.

Reminder: Please let the school know if your child is going to be absent or intends to be absent for a portion of the school term for whatever reason, like a tangi or medical procedure. Family holidays or taking time off for extracurricular activities (not organised by school) are not acceptable reasons for being absent.

ATTENDANCE MATTERS AND WE CAN ALL WORK TOGETHER TO INCREASE SCHOOL ATTENDANCE

Please don't hesitate to contact me if I can help in any way.

Kind regards
Sue Ratcliffe (Principal)

Futsal Competition

We will be running a local school futsal competition in term 1, 2025, on Sundays from 10:00am to 7:30pm at the Rotorua Girls' High School Arena in Rotorua, and it would be great if we could have team(s) from your school. The competition is scheduled to run for seven weeks, starting 16 February and finishing 30 March*.

Futsal is indoor 5-a-side soccer played on a basketball sized court with 3m wide by 2m high goals. Each game has two 18-minute halves. Futsal is rapidly growing in popularity

in New Zealand. Due to the small number of players required (five per team plus substitutes) it is easier for schools to find enough players for a team to give it a go.

Below is the Google Form based team entry link. Alternatively, an entry form is attached which can be filled out and emailed back. The competition is limited to a maximum of 80 teams so don't delay. Entry fee is \$175 per team for seven weeks (we provide referees as part of this entry fee). This entry fee is much less than that for equivalent competitions elsewhere (\$460 for seven weeks).

Please contact me if you have any questions or require more information.

*: If a seven week competition is too much but you still want to give futsal a go, this term there will also be separate one-day tournaments run by RGHS for primary school girls' (Sunday 6 April) and boys' (Sunday 13 April) teams so watch out for entry information for these when it comes out

We are preparing for our visit to Mataarae Marae this Friday.
