Transport Support Needed - Yr 5-8 Collaborate Conference (Reporoa)

We are looking forward to taking our Year 5-8 students to the Collaborate Conference in Reporoa, but we are currently short on transport. To ensure all students can attend this valuable learning event, we kindly ask for additional parent/caregiver support with transport.

If you are able to help with driving students to and from Reporoa, please contact the school office as soon as possible. Your support makes opportunities like this possible for our learners, and we appreciate any assistance you can offer.

School Pool Closed Over Summer

Please be advised that the school pool will be closed over the summer break. Unfortunately, we are unable to open it due to Health and Safety requirements.
