Looking Ahead

If you would like to keep up to date with your child's attendance, please click on the picture above your child's name in the attendance section. This will provide you with an overview of their attendance and help you monitor their progress throughout each term.

Looking ahead to next week, we are pleased to welcome Harrison Tew Emergency Planning Specialists to our school. They will be working alongside our staff to evaluate our current emergency procedures and share best practice around lockdowns and emergency evacuations. Ensuring the safety and wellbeing of our students and staff remains a top priority, and we value the opportunity to strengthen our preparedness.

We are also looking forward to a fun-filled Tabloid Event being organised and led by our student leaders. This is always a highlight for our students, providing opportunities for teamwork, participation, and plenty of enjoyment. We know the children will have a fantastic time taking part in the activities planned.
